The policy of this paper is to report the news to the reader in a truthful and unprejudiced manner. In 1963 the first volume of the KNIGHTS' HERALD was published under the direction of Mr. Jenkins, superintendent of East Southern Pines Schools, and faculty advisors. At that time Mr. Jenkins felt that a high school wasn't complete without its newspaper.

This year under the fine leadership of Miss Clarene Roberson, the KNIGHTS' HERALD staff has been able to fulfill its purpose of a "complete" high school—the consolidating of all school activities and departments into brief issues so to stimulate activity in this extracurriculum.

The staff receives many awards in getting a paper out. Each member recognizes the importance of organization, discipline, and thoroughness.

The Southern Pines Blue Knights began the '64 season under new reins, coaches Tony Trentini and Larry Addleton. Pre-season practice began on Saturday, August 15, in preparation for the season's opening game against the Wadesboro Tigers. The Knights came back from Wadesboro with Tiger claws on their armor and a sound trouncing under their belts. Our Knights weren't about to let this game set the pace for the season. They bounced right back and scored eight straight wins, highlighted by victories over Red Springs and Union Pines. Our neighbors down south came up with a fine effort which gave the Red Devils the Cape Fear Conference Championship.

A Knight conference record of eight wins and one loss qualified them for the state regional playoffs. Our first opponent was the Helena Hornets in a game played at Wake Forest, N.C., where Southern Pines captured a convincing win, 20-6, which advanced them to the Midwest Regional 1-A Championship Finals. The Glen Alpine Green Wave provided the opposition in a game played at Salisbury, N.C. The Knights fought gamely but found themselves on the short end of a 21-2 score. The Knights closed with a record of nine wins and three losses, rounding out an excellent season.

The spirit exhibited by the coaches and players during the '64 season was the best in many years. Next year's team will have many veterans and should perform equally well. Thanks go to the coaches and players for a fine season.

## Boys' Basketball

Coach David Page

Under the direction of their new coach, Mr. David Page, the varsity boys had a record of 7-9. In a re-building year, the team lacked experience, height, and depth on the bench. Led by co-captains, Hal Hassenfelt and Lynn Daeke, the quintet won handily in several games and took an impressive victory over Union Pines. The game was characteristic of the team's never-say-die spirit as they were down by as many as eight points. Rounding out the starting five were Harry Webb, Eddie Bridges, and Mac Fowler. Noted for his "dark horse" teams, Coach Page should create a surprise in the conference next year.

"Good call, ref!"

"I could have danced all night."

The Blue Knight girl's team, accented with team play and sportsmanship, compiled a record of 3-11 this year. The final standings do not tell the complete story, as the girls lost several two and three point games under their new coach, Mr. Vernon Crumpler. Although four starting seniors are graduating, several excellent players will return to lead the team in next year's edition. A finer tribute could not have been given than the girls being voted to receive the Sportsmanship Award at the county tournaments.

A rebirth of the national pastime has come to Southern Pines in the form of Coach Larry Addleton. With the added life, fifteen players turned out for baseball in the first week. Returning to the team are Ronnie Bradley and Cullen Fisher, two top men from last year's team. In the pre-season practice the team has done well with their crisp fielding and sharp hitting. A full slate of conference and non-conference games is scheduled for this year. From indications, the Blue Knights will feature strong arms and booming bats. As an added attraction, all of the home games will be at night to aid the players and fans. According to Coach Addleton it should be a good year.

Striikkee three!...

# Golf

The Southern Pines High School golf team, coached by Mr. Don Moore, fashioned a slate of 7 wins and 3 losses last year. The most convincing win was over East Montgomery as we "sliced" them 24-0, whereas the only serious defeat was at the hands of Laurinburg.

In golf the scoring system is unique. Each man can win a possible 3 points. The breakdown is one point for winning the front nine, one point for the back nine, and one point for winning the match. If there are any ties, 1/2 point is given to each man.

Coach Moore has great expectations for his golf team during the upcoming year. As added incentive, the team is looking forward to the state tournament since they were unable to attend it last year.

Smashing its way to a great season, the tennis team won five games and lost only to Asheboro. A very impressive record for a team in its first season!

The team, led by three seniors, captured double wins over Pinehurst, East Montgomery, and West Montgomery. They were sparked by a fine team play which Coach Propst stressed very much.

With four returning lettermen, Larry Daugherty, Teddy Nanapoulos, Charlie McLaughlin, and Robert Grover, the team is looking forward to a very successful season this spring. Previous practice and experience in tournament play will greatly assist the netmen. Much school spirit and team effort will prove a help to the team.

# Track

Fleetness afoot and height aloft produced the success of the Blue Knights' track team in 1964. This led them through a 5-3 season and to the championship of the Moore County Track Meet. In the process twelve new school records were set.

The Moore County meet proved to be the best yet as the Knights swamped everyone with 102 points. The trackmen swept every running event plus the pole vault, broad jump, and discus. Mac Fowler set a record by vaulting 11'3". Qualifying for the state meet, James Mallow clipped twenty seconds off the record as he ran the mile in 4 minutes 45 seconds. But the team effort, which was stressed, was not to be denied.

With the start of the 1964-65 school year, a new sport was introduced. The sport is cross-country which is run over a usually hilly course at a length of two or more miles. Each meet proved to be a test, and the harriers finished the season very strong.

Southern Pines is one of the few small schools in the state which can boast of a track program of such magnitude. Coach Williams and all track members deserve a thank you for their effort to emphasize the sport. Next year's teams should perform as well in all events.

"Hey, Mr. Cox, what's comin' off?"

"Fair star of Southern Pines,..."

"We've got a team and we couldn't be prouder!"

Alas, freshmen.

The Ugly Duckling

They put spark plugs in this one!

Put a tiger in your tank.

Her sparkling eyes, her radiant smile will never be forgotten.

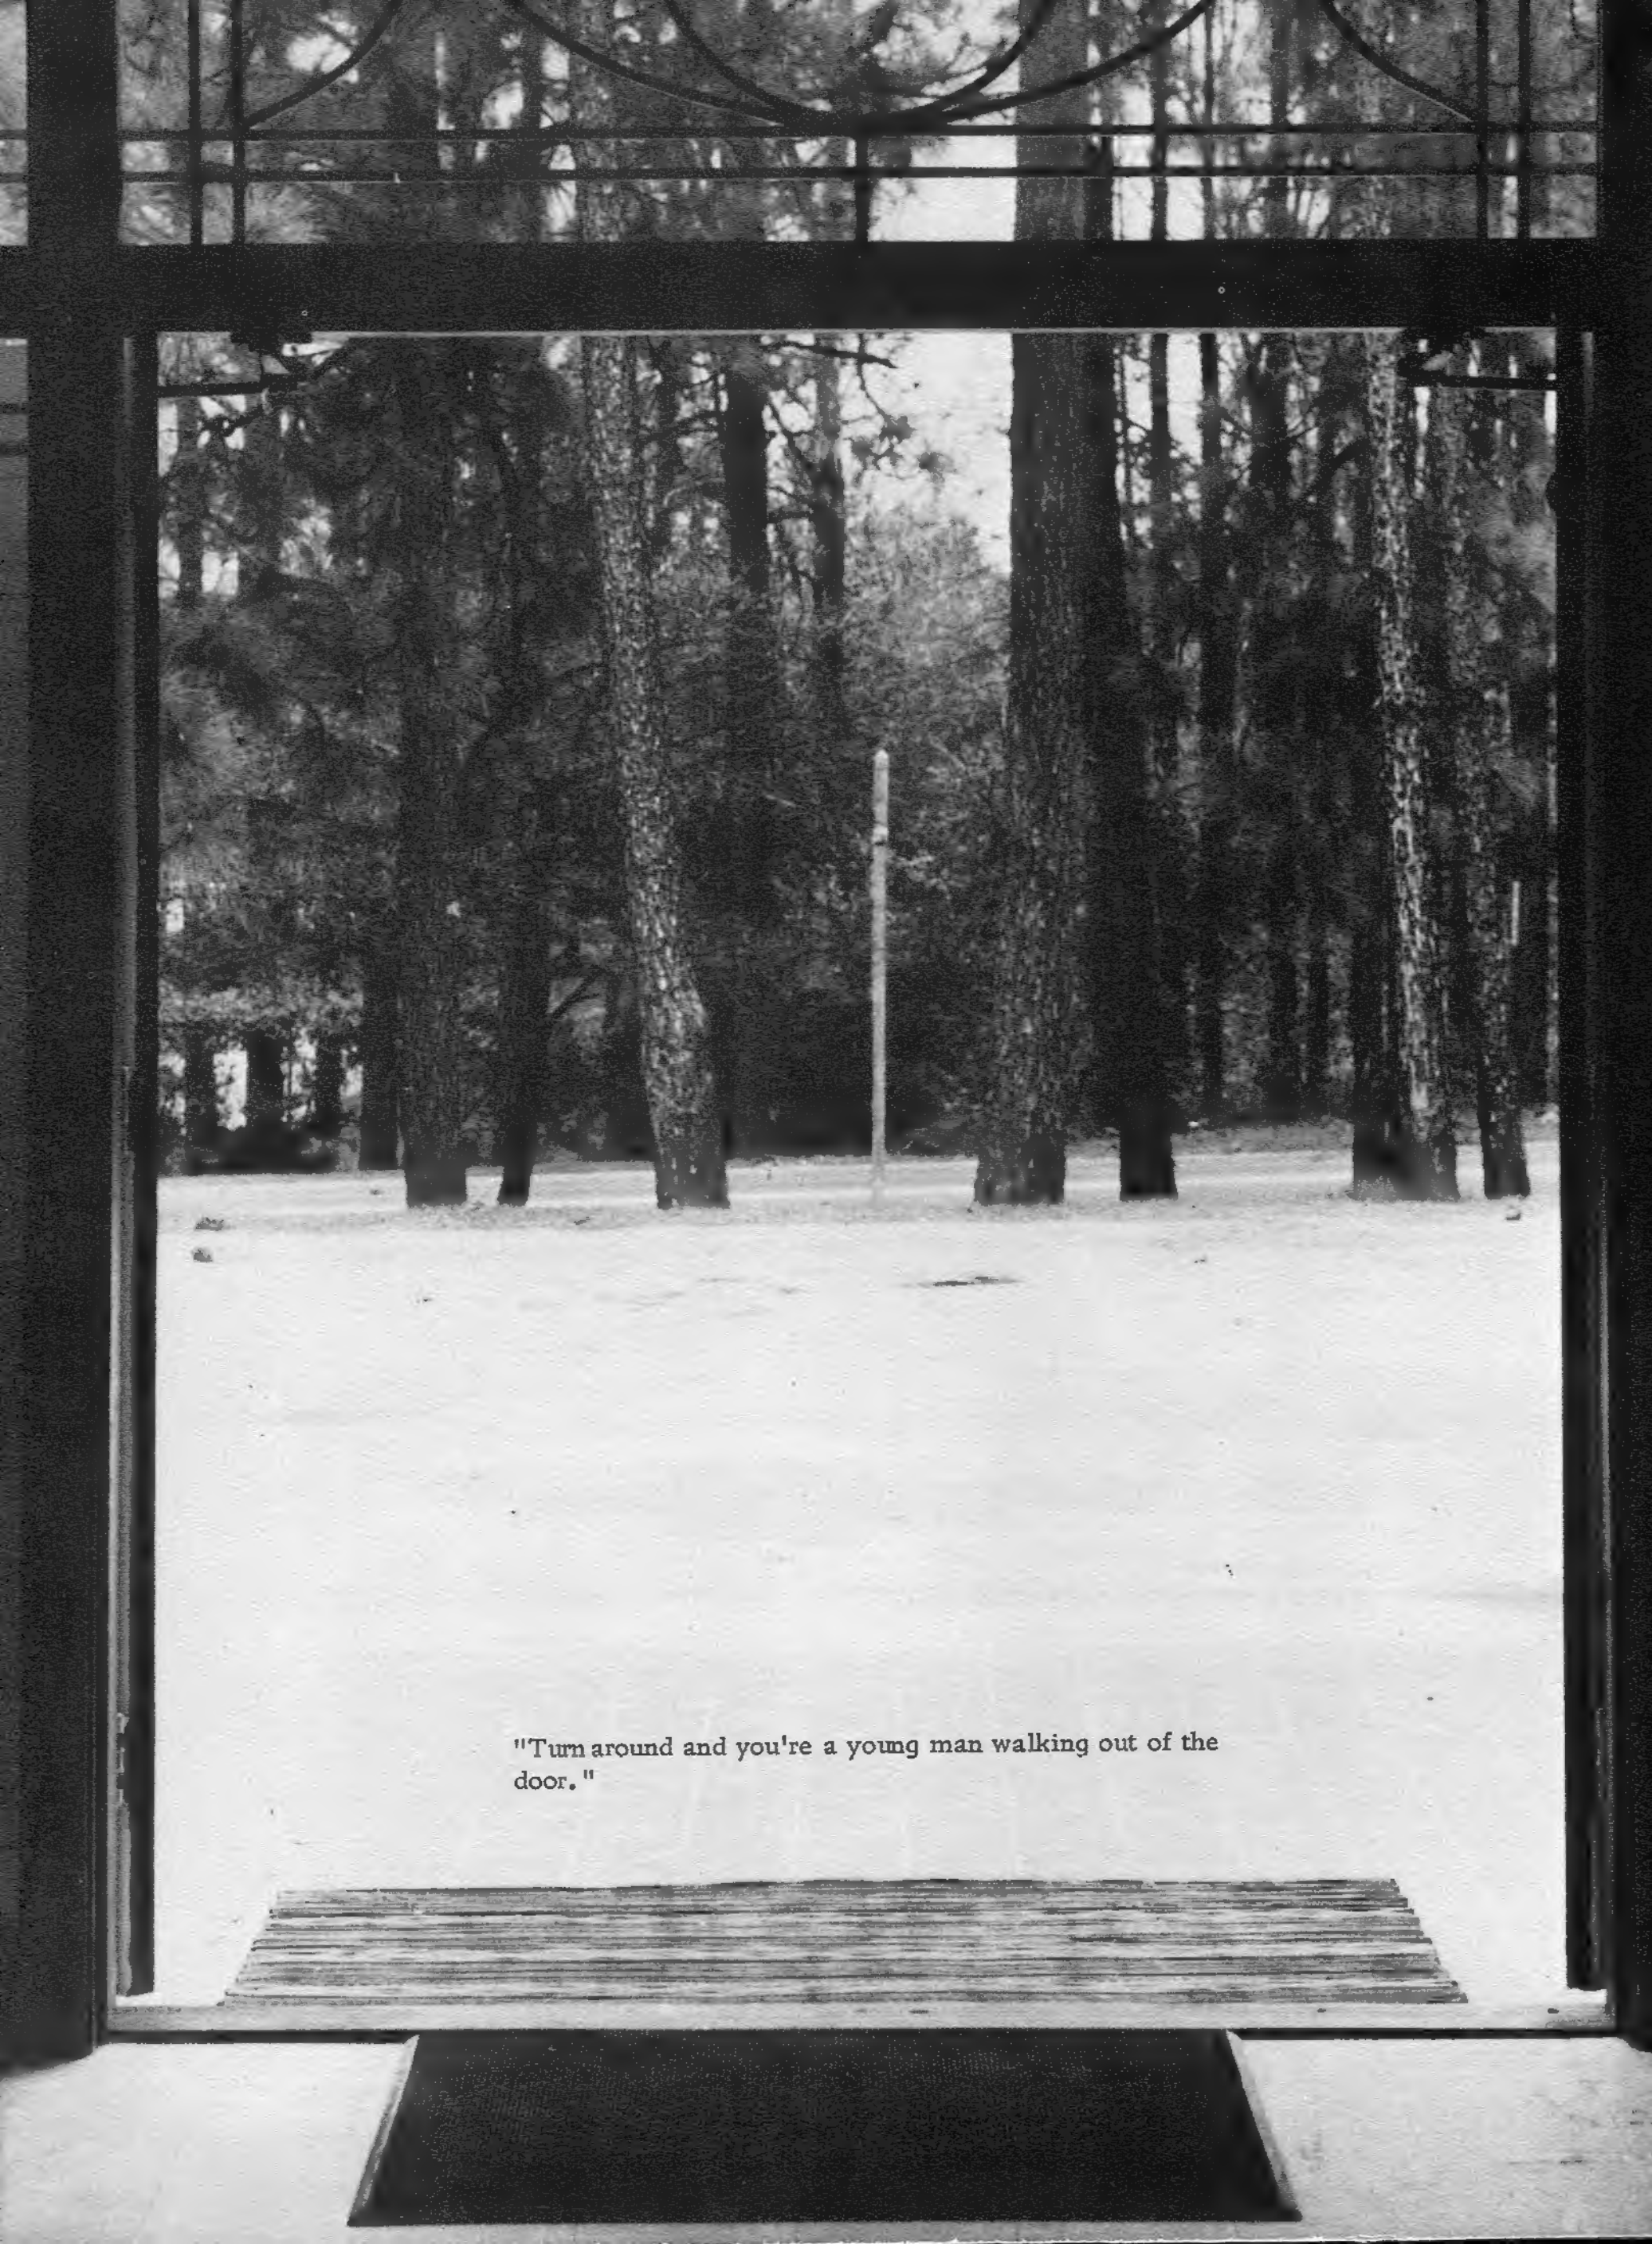

That joke should be censored.

"T.G.I.F. —thank goodness it's Friday!"

"Turn around and you're a young man walking out of the door."
